Review Report

To the Board of Directors of Advanced Enzyme Technologies Limited

We have reviewed the accompanying statement of unaudited standalone financial results ('the Statement') of Advanced Enzyme Technologies Limited ('the Company') for the quarter and half year ended 30 September 2016, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the corresponding figures for the quarter and half year ended 30 September 2015 have not been reviewed.

This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

The comparative financial information of the Company for the year ended 31 March 2016 have been audited by the predecessor auditor who had audited the financial statements for the relevant period. The report of the predecessor auditor on the comparative financial information dated 27 June 2016 expressed an unmodified opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with the applicable accounting standards notified under section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.
